

PURGON VP 18/99

Liquid Multipurpose Floor Cleaner

Product Information

PURGON VP 18/99 is a liquid alkaline multipurpose floor cleaner, which can be used in manual or machine application. It provides temporary corrosion protection if brought in contact with iron surfaces.

PURGON VP 18/99 will not create disturbing foam if accidentally introduced into coolant systems. This may happen especially if coolant trenches are running underneath the floor. Even though **PURGON VP 18/99** is compatible with most coolant systems, the contamination should be limited to the unavoidable. The disposal of used cleaning solutions (mop water) into coolant systems is strictly prohibited.

PURGON VP 18/99 contains non-ionic detergents and corrosion inhibitors.

In most cases, **PURGON VP 18/99** is used as a 2.0 – 4.0% solution in water.

Physical Properties

Appearance	clear, liquid
Specific gravity 20°C	1.058 g/ml
pH-Value 1%	9.0 - 9.5

Storage

During storage **PURGON VP 18/99** should not be exposed to temperatures below 0°C or above 40°C. Large temperature fluctuation has also to be avoided. It should be brought to room temperature prior to usage.

Health and Safety

Please refer to the Material Safety Data Sheet for complete information.
