

Dilmar Oil Company

GP Anti-Wear Hydraulic Oil

Dilmar GP AW Hydraulic Oil is an anti-wear hydraulic and circulating fluid specially formulated with high VI quality base oil. This oil offers outstanding resistance to sludge formation and exhibits excellent anti-wear protection. Dilmar GP is designed for medium pressure systems in mobile equipment and one-time through systems.

Benefits of using Dilmar GP AW Hydraulic Oils are:

- Excellent oxidation resistance and outstanding thermal stability
- Provides good rust protection
- Good vane pump performance for longer life
- Contains detergents for long term cleanliness

Typical Properties:	
ISO Grade	46-68
Specific Gravity, typical	.8783
Viscosity at 40° C, cSt	40-50
Viscosity Index, minimum	130+
Flash Point, ° F	430
Pour Point, ° F	16
